Add fashion and function to your backyard with a beautiful NuImage Retractable Patio Awning. With the simple touch of a button you can extend your awning in seconds. The shade an awning provides can reduce the temperature on your deck or patio by up to 20 degrees. A NuImage Awning will also add equity to your home, and will provide years of lasting performance and enjoyment.

7700 has a slender front bar that accents the framing detail.

The durable extruded shoulder offers 7 pitch selections, making your desired awning angle easy to achieve.

Choose from a wide selection of motors and controls to make your awning completely automated.

Add an optional Weatherguard Cover protect your fabric from the elements and dirt while retracted. Recommended for motorized awnings.

Provides all necessary heavy-duty brackets for roof mount installation when wall space height requirements cannot be met.
